Actors Community Theater of Seymour, Inc. (ACTS) will soon begin its second season of bringing quality, live-stage entertainment to the Greater Seymour Area.

What, or who, is ACTS? We are a not-for-profit organization of volunteer actors, directors, producers, set builders and many others who support live theater productions.

As a not-for-profit group, our funding largely depends on an annual membership drive. There are several levels of membership available:

- \$5.00 - Student (kindergarten through high school)
- \$10.00 - Adult
- \$20.00 - Family
- \$25.00 - \$49.00 - Patron
- \$50.00 - \$99.00 - Bronze
- \$100.00 - \$199.00 - Silver
- \$200.0 - \$999.00 - Gold
- \$1,000.00 and up - Platinum

We also offer show sponsorships to businesses and organizations for \$500.00 per show. Sponsorship includes representation in all of the show's advertising and press releases and special recognition before each performance. We also offer sponsorships on a smaller scale in the form of table sponsors for \$50.00 per show. Table sponsors may provide decorations, favors and advertising for a table of eight patrons for each of the four nights of a show's run.

Please note that ACTS is a 501c3 not-for-profit incorporation, so your membership and any other donation will be 100% tax-deductible. Documentation of your purchase or donation will be provided upon request.

What do you get for your membership? As a member of ACTS, you will receive our quarterly newsletter, "Seymour ACTS Out!", keeping you informed of our upcoming shows and other activities. You will also receive advance notice of ticket sales and first choice of seating for all of our shows. AND, each membership of \$50.00 or more will receive a free ACTS T-shirt. Whether or not you choose to become an ACTS member, we hope you will join us at our productions and enjoy the quality performances we look forward to providing in 2015.

Sincerely,

Betty Baute, President
